

Pasiano di Pordenone, 6 September 2024

Subject: **Certificate of attendance at SANGIACOMO training course.**

We are pleased to certify that architect **Ania Buczny** successfully attended a training course at our headquarters in Pasiano di Pordenone from September 2nd to September 6th.

During the course, **Mrs. Buczny** was introduced not only to detailed product specifications but also to key aspects of design and marketing.

The program also included comprehensive training on the use of our company's exclusive software.

We are delighted to continue our collaboration with architect Buczny, who has shown during her stay that she appreciates the Sangiacomo furniture collections.
